

Bring life
into LIFE....

About Us.....

NEMED is a company started today with a Vision for tomorrow to earn a name in Pharmaceutical Industry. Backed by opinion leaders, our management team consists of young and experienced professionals having combined experience of 80 years in Pharma segment.

Core Values -

- * Live by the highest standards of ethics, integrity and honesty.
- * Gain deep understanding of our customers and domains
- * Steadfast commitment to customer satisfaction
- * Build an effective marketing network to serve the needs of a medical profession
- * Set and meet high standards of performance.

Quality is the hallmark of **NEMED** Finest quality has known to be synonymous with our products. Right from the inception stages, quality has found a profound place in all our endeavours. At every phase of manufacturing, right from raw materials to finished products, highest standard of quality is ensured with the help of most modern equipments, trained personals and state-of-the-art manufacturing facilities. Our products are manufactured according to international standards (WHO-CGMP Certified) in selected and audited high-tech facilities. All production facilities match highest standards of hygiene and with all equipment's undergoing periodic inspection from time to time for consistency from batch to batch; the odds of defects are literally zeroed down.

Mission & Vision

Mission.....

Provide best healthcare products in affordable price through dedication, innovation and need based orientation.

To have a PAN India presence within year 2030 with state of art manufacturing unit.

Vision.....

Have a sound presence in Eastern India within March 2023 with a formidable team

Passion

We are passionately committed to provide best healthcare products to fulfill our mission through a holistic approach.

At **NEMED** we always believe that great businesses are the results of great partnerships. For the same reason, we place high value in every customer and his needs and work endlessly upon building a good rapport with each one of them. Perhaps, this paradigm of placing our customers first has enabled us to penetrate the domestic market successfully in a very short span of time.

Sharing strong bond with the customers, attending to their needs diligently and healthy mutual growth leading is what we strive to achieve at **NEMED**.

We strongly believe in **TEAM**work as our strong conviction is **T**ogether **E**veryone **A**chieves **M**ore.....

*“Coming together is beginning
